### Defibrillator

We're pleased to share that we now have our own defibrillator on site. It has been installed in the hallway near Hazel Classroom. The Community Defibs for Rossendale Team have kindly allowed us to receive it early while we complete our fundraising to cover the cost. We're very grateful for their support.

Thank You

### Hazel Class Forest School

It was wonderful to be back in forest school with the children this week, and they really embraced being outdoors again. Due to a number of upcoming events over the next couple of weeks, forest school sessions will be paused for the remainder of this term. We'll be heading back out next term and will share the confirmed dates with you as soon as they're set.

Thank you
