We're excited to be hosting an Open Day on **Saturday 13th June, from 10am to 12pm**. Please spread the word to anyone who might like to come along. There'll be plenty happening throughout the morning, and we'll be sharing a schedule of activities very soon.

Toys and Teddies

Reminder for families, unless your child has a specific comfort item for sleeping, toys and teddies should not be brought into nursery school. This helps us keep belongings safe and avoid distractions during the day.

Parent Governor Vacancy

We currently have two Parent Governor vacancies becoming available, and we would love to hear from anyone who may be interested in supporting our nursery school in this role.

If you would like to apply or would simply like more information about what the role involves, please contact Mrs Cooper , who will be happy to talk you through the process.

Parking

We kindly ask all families to park considerately and safely when dropping off or collecting children. Please keep driveways, access points, and narrow roads clear, and avoid parking on pavements, as this can force pedestrians including children into the road.

Thoughtful parking helps us maintain great relationships with our neighbours and ensures that residents and emergency vehicles can access the area without difficulty.

Thank you for helping keep our community safe.
